DO'S

1. Abide by the rules of the road and always stick to the speed limit
2. Always wear your helmet and make sure it's always fastened
3. Make sure you always have your bike driving license with you
4. Always do your daily check list before you start your bike
5. Report any faults immediately
6. Report accidents immediately to your store manager and police
7. Always leave a safe following distance between yourself and the car ahead of you
8. Always ensure that you have enough petrol in your bike
9. Always use your indicators when turning or changing lanes
10. Always keep your bike and delivery box clean

DON'TS

1. Don't leave the ignition on if you not using the bike
2. Don't leave your keys in the ignition unattended
3. Don't give passengers a lift
4. Don't use your cellphone while driving
5. Don't drive under the influence of alcohol
6. Don't over rev the engine
7. Don't over load the top box
8. Don't swop parts on the bikes
9. Don't put diesel in the bike
10. Don't get a private mechanic or attempt to do repairs on the bikes
11. Don't use car oil in the bikes
12. Don't drive the bike with no oil in
13. Don't apply the brake constantly while driving
14. Don't use the bike for private use
